

Dear EIAA Parents,

EIAA is working with the National School Lunch Program to provide hot lunches to our students. We are currently waiting final approval to move forward with the program. **We will be serving hot lunch starting the first day of school however the free and reduced prices won't kick in (meaning everyone will pay \$3.60 a lunch) until final approval from the National School Lunch Program.**

Once we have final approval, the cost per lunch will be \$3.60 for full pay \$.40 for reduced and \$0.00 for qualified families. Milk will be available for students eating cold lunch for \$.50 apiece. All families will need to complete the income verification form which can be found here: <http://eiaanv.nlappscloud.com>

All milks and lunches must be ordered and paid for by Wednesday at 8:00 am the week before the meal is served. (This means if your student wants to eat the week of August 26th-29th, lunches will need to be ordered and paid for by Wednesday August 21st at 8:00 am. This will allow the school to know how many lunches to order and prepare, keeping lunch costs and waste down. We will not be ordering or preparing extra lunches. If a lunch is not purchased in advance, parents will be called to bring a lunch.
