About Me

Hello! I'm Mrs. Larsen, and I'll be your child's teacher this year. This marks my twelfth year in teaching and my fifth year in Kindergarten. My family and I enjoy spending time outdoors and we're a big fan of sports!

I'm thrilled to create a nurturing classroom environment where students feel confident, curious, and eager to learn. I hope everyone had an enjoyable summer, and I can't wait to get to know you all better during this school year!
