

Milk Program

PTSO will be selling milk, regular and chocolate, during school lunch every day for \$.50 each. Your student may pay for their milk each day at lunch or you may prepay for their milk. Monthly milk costs about \$10/student. Full school year cost is about \$90/student.

There will be a limit of 1 chocolate and 1 regular milk a day per student. Please let us know if you wish to further limit the amount or type of milk your student has.

Students may not purchase milk for other students. Once the milk balance reaches \$2, a notice will be sent home. Students will not be allowed to charge milks to account.
